

Membership Has its Benefits

Join today. Members of BIABC receive:

- Province-wide (and beyond) **networking** with peer members
- **Promotion** of your BIA on the BIABC website
- Monthly **e-newsletter**
- **Advocacy** on behalf of the BIA membership to voice BIA concerns and issues
- Access to local and international-calibre speakers at the annual **BIABC + IDA (International Downtown Association) Pacific Northwest Regional Conference**
- The all-inclusive **BIABC Handbook** with templates, tools and best practices for starting and managing a business improvement association
- Ongoing **information** about upcoming events of interest, issues, and activities
- Access to past **Best in the West Awards** winning entries you can learn/crib from
- **Reduced rates** for BIABC conference registration, other events, and Best in the West Award submissions
- A **40% discount** on membership with the International Downtown Association (IDA) (restrictions apply)
- Information, potential discounts, and other cost saving arrangements with BIABC partner **FortisBC**
- Access to the **BIABC Benefits Program** for both your employees and the employees of your members. Options for the Program include Group Health and Dental plans, Critical Illness Insurance, Disability Insurance, Life Insurance, Employee Assistance Program and Group RRSP. Plans available for single employees and up. Revenue sharing available for BIAs based on the usage by your members.
- Savings of 25% or more off premiums with HUB International Insurance's "**Platinum Pro BIABC Group Insurance**" program. To find out how you can generate insurance savings for your BIA, contact Paul Scorer of HUB International at 250-753-2481 or email at Paul.Scorer@hubinternational.com
- A members' reduced rate of \$49.99/month (regular rate is \$199.99) with [Techweavers](#) on the Professional Package "self-managed" or "content-managed" web service solutions. These are finished websites that can be updated by you without code, tools or any HTML knowledge. All development costs, training and ongoing support is included.

For more information, contact Lori Baxter at 778-840-5182.
